COMMUNITY ENVIRONMENTAL COUNCIL

Climate Stewards

Certified climate leadership course through UC Office of Agriculture and Natural Resources in partnership with CEC

Provides everyday people with tools needed for effective community activism

Five Truths of Climate Change

1. It's real.
2. It's us.
3. Experts agree.
4. It's bad.
5. There's hope.

CEC is a top
course
provider
statewide

Community of Practice

The Climate Stewards Community is:

- Over 600 Certified Climate Stewards
- 5,061 Certified CA Naturalists
- 237 Certified Instructors (82 Climate Stewards instructors)
- And growing!

2

CITIES THAT PASSED ENERGY CODES

(with 2 counties not far behind) that help ensure new construction is all-electric with no natural gas, accelerating progress toward California's climate goals.

33,000+

Community members **CEC INFORMED, ACTIVATED, AND GUIDED ON CLIMATE ACTION** through webinars, meetings, events, and roundtable discussions.

160+

ACTIVE PARTNERSHIPS across public and private sectors that **AIM TO MOBILIZE** broader community action and cultivate climate leadership grounded in inclusive decision making.

1.4 MILLION

Residents in 22 cities and counties across Santa Barbara, San Luis Obispo, and Ventura Counties **HAVE QUICKER ACCESS TO 100% RENEWABLE AND CLEAN ELECTRICITY** because of CEC's advocacy for Community Choice Energy.

960

VOLUNTEER HOURS INVESTED

by CEC's UC Climate Stewards program participants in creating local climate-related initiatives and projects.

1,424

NEW CHARGING STATIONS BEING BUILT with \$12 million in funding attracted from the state and leveraged to support wider adoption of electric vehicles. Over the next two years, the charging stations will be installed at workplaces, multi-family properties, and public destinations across Santa Barbara, Ventura, and San Luis Obispo Counties.

6 MILLION

SINGLE-USE WATER BOTTLES NOT USED because of 116 school and community water refill stations that were installed as a direct result of CEC's Waste Reduction program.

900+

Households that have added **SOLAR AND ENERGY STORAGE SYSTEMS** since 2011 through CEC's Solarize Residential program, a regional model for effective group energy purchasing.

50 YEARS OF PROVEN RESULTS

2022
